PROFESSIONAL EXPERIENCE

Front-End Web Developer (Trainee)

Saylani Mass IT Training Center — [Peshawar]

Jan 2025 – Present

- Built responsive websites using HTML, CSS, and JavaScript as part of training projects.
- Developed mini-projects such as a comment section, voting poll system, and interactive UI components.
- Practiced version control using GitHub and improved problem-solving through daily exercises.
- Gained hands-on experience in DOM manipulation, event handling, and form validation.

Freelance Graphic Designer (Project-Based)

Remote / Personal Projects

2024 – Present

- Designed logos, social media posts, and website mockups using Adobe Photoshop and Illustrator.
 - Created brand identity kits for mock businesses to build a strong design portfolio.
 - Focused on clean layout, typography, and modern design trends to improve visual storytelling.
-
